

„Anybody can fly!“

*48th Conference 2007 Tallinn, Estonia
23 - 26 August 2007*

Dear Circlers,

It is a great pleasure for me to welcome you, on behalf of the Conference Committee, in the 48th Ladies Circle International Conference during 23 – 26 August 2007 in Tallinn, Estonia.

In only few months from now, the Circlers from all over the world will have again the opportunity to meet at the most important gathering of the year.

The Conference Committee together with the Ladies Circle International Board are working hard to prepare an outstanding event for all of us. The preparations are well underway and the program is in place to meet your highest expectations. The parties are planned and the venues are ready.

Dear Ladies, the LCI Conference in Estonia is going to be a memorable Ladies Circle experience. The Conference events and tours will take you to the medieval capital of our country, to the islands and national parks, to the small Estonian towns in the Eastern and Western coast; we will all have an opportunity to be part of something Estonia is famed for -
the song festivals.

So I encourage you to register and plan your trip today on
www.ladies-circle.com/ or www.lce.ee

Ladies Circle Estonia
is looking forward to welcome each of you in Tallinn to enjoy
this Conference and fly together as
Anybody Can Fly! because You're Special!

In Friendship and Service,

Annika Sõrmus
Conference Convenor 2007
